New This Year!

*Evidence Appraisal Workshop (FRI, OCT 4) :
"Using Evidence in Clinical Practice:
Enhancing Your Skills and Understanding"*

This conference will mark the 25th year anniversary of the Therapeutics Initiative, founded in 1994.

Therapeutics Initiative faculty and internationally renowned guests will review best evidence for therapeutic issues important to primary care and specialty medicine.

Comments from previous years:

"Good overview of many important practice issues and the evidence behind them."

"Enjoyed the broad scope of material covered and the expert speakers."
