

# Under the Umbrella

Using Knowledge and Preparation to Safeguard Against Severe Hypoglycemia

## Invitation

### Severe Hypoglycemia Webinars

## Join Us

We are pleased to invite you to attend one of the accredited webinars below and learn about identifying risk factors and developing preparedness plans for severe hypoglycemia in patients with diabetes.

### Learning Objectives

Review the characteristics and risk factors of severe hypoglycemia in patients with diabetes

Educate patients and caregivers on severe hypoglycemia to help prevent hypoglycemic events

Develop preparedness plans for managing episodes of severe hypoglycemia
