

Pain & Therapeutics Virtual Conference 2021

SAVE THE DATE

November 26 & 27, 2021

Time: 8:30 am-12:35 pm
Hosted virtually via Webex

Registration Opening Soon

Conference Information:

Jessica Wylie, Event Coordinator

Phone: 306-966-7795

Email: jessica.wylie@usask.ca

Learning Objectives:

By the end of this conference, learners will be able to:

- Describe pharmacological and non-pharmacological treatment options for the management of chronic pain including identifying coverage for commonly prescribed medications and describing the safe taper of medication.
- Apply CBT and interviewing skills and strategies in the management of chronic pain.
- Explain the management of patients with a dual diagnosis of addiction and chronic pain
