WE ARE HIRING

Pharmacy Skills Laboratory Instructors

2022-2023

We are currently recruiting pharmacists to act as instructors in the professional skills labs. You do not need to be an expert in any particular area. Your predominant role is to observe and provide feedback to the students so they can improve their skills. Lab instructors are provided with information describing their roles and responsibilities for the individual labs as well as any pertinent materials for assessment and marking. At this time, we expect that all term I and II labs will be provided in-person. Lab instructors are paid an hourly wage (minimum: 3hr). If you have any questions, please do not hesitate to contact us at ph_lab_instructor_recruitment@usask.ca.

REQUIREMENTS:

- ❖ Licensed pharmacist in good standing with SCPP
- ❖ Minimum 12 months of practice experience
- ❖ Orientation for instructors will be provided.

Opportunities are available in Year 1, 2 and 3 of the PharmD program.
